

VANCOUVER COMMUNITY COLLEGE AWARDS CEREMONY

Sample Biographies - 190 characters

- Jane's passion for helping others led her to a career in nursing; she is proud to be the first post-secondary graduate in her family.
- Lina always had an interest in health sciences, she decided to take the Medical Lab Assistant program. She is thankful for the excellent training she received from VCC.
- Dave is thankful for everyone at VCC and the amazing instructors. And thank you to my family who supported me along the way. Cheers everyone!
